

RONÉ DE BEAUVOIR

Global Humanitarian

BIOGRAPHY
of
Roné de Beauvoir

Roné de Beauvoir is a Global Goodwill Ambassador for Knights of Peace Hashemite Kingdom Of Jordan under the Patronage of King Abdullah of Jordan and a modern-day Renaissance woman with success as an International Award Winning Speaker, Lifestyle Coach, Empowerment Lecturer, Brand Strategist, Social Entrepreneur, Global Humanitarian with a passion for outreach to the world's most impoverished citizens, and Author of *The Power of Emotional Intelligence: Insights on Change, Leadership and Boosting Performance in the Wake of Extreme Pressure*.

She is an industry-leading, thoughtful, fascinating speaker, and thought leader that will educate, empower, and illuminate her audience. Rone has lived in more than 22 countries and continues to travel the world as a speaker and global humanitarian.

In 2007, she won the prestigious European Business Woman of the Year Award for her work promoting diversity and inclusion.

As a Speaker, she has presented at conferences whose roster include such notables as HRH Princess Rym Ali of Amman Jordan. With topics ranging from Peace and Conflict Resolution, Emotional Intelligence to Digital Trends, Social Media, Diversity, Motivation, Health & Wellness and Leadership, she is passionate, entertaining and highly energetic on stage.

As a Humanitarian she seeks ways to support the needs of impoverished citizens around the world, which lead to starting #ClearWaterInitiative LLC, a company presenting conferences around the world to support social good initiatives using livestreaming platforms.

Corporately as a Brand Strategist/Social Media Expert/Mentor to Start-Ups she consults businesses and entrepreneurs, startups on how to build powerful brands that will resonate with their target market. She also enjoys and has implemented programs and events supporting ventures active in future technologies, representatives in venture capital, corporate venturing, governments and globally active organizations engaged in promoting and/or supporting women entrepreneurs is a daily task in her business through her company Healthy Girls Academy.

She is Chairman/CEO of the FISH Foundation Global Nation, a non-profit charity/Social Enterprise rebuilding the lives of people in the world living in poverty and KID Can Foundation, which provides free flight support on private jets for kids with cancer. Academically, Roné has received a Bachelor of Arts in Business, Bachelor of Arts in Culinary Science, and Advanced Diploma in Sports & Exercise Nutrition.

She continues to demonstrate United Nations Sustainability Development goals and prioritize her work as an Ambassador and set aside the time to serve the agency's goals. As an Award-Winning International Speaker, she finds the time to fundraise, speak before political bodies and advocate publicly for the organization.

She is extremely compassionate and capable of understanding the gravity and complexity of the agency' cause.

She joins other powerful women on the global stage from diverse industries and backgrounds driving meaningful change in healthy living, gender equality and social empowerment of the world's most impoverished citizens.
